VISITORS:

Several Borough residents had concerns about the proposed traffic changes for the intersection at East Evergreen Street and Chatham Road. Mrs. Edwards and her sons, Bob and Bryan Edwards, feel that the right of way shown on the plan is incorrect for their property located at 217 East Evergreen Street. Mrs. Yerkes and Mr. Peterson also had concerns what the option of using a round-about would have on their property located at 227 East Evergreen Street. President Turkington informed the visitors that Borough Council has not made a decision on whether to install a traffic light or to install a round-about. Borough Council is waiting for a concept plan from McMahon & Associates for the round-about to review.
