

## **WEST GROVE BOROUGH RESIDENTS**

**The West Grove Borough Public Works Employees will be trimming trees and shrubbery on your property along the roadway and over sidewalks. The Borough of West Grove has a requirement to provide 16-1/2 feet of clearance over any paved surface of roadway and 8-1/2 feet of clearance over sidewalks.**

**As the property owner, you should maintain your trees and shrubbery to meet these requirements. If not the Borough of West Grove's Public Works Employees will trim your trees and shrubbery as necessary. This is a safety issue.**

**Any questions, please contact the Borough Office at 610-869-2792.**
